Hello, fellows! No letters this week--which is a bit of a letdown for all

day! But we do have a couple of you home on leave--such as CPL. DON WALTON, son of Mrs. Helen Brady of Klamath Street here in Brisbane--and Marine T/Sgt. Hank Shultz, whose wife, Wilma, of 40 Solano Street, has

been impatiently awaiting the return of her "conquering hero". Well, he has returned, and has the situation well in hand! (if we're any judge of the starlight in Wilma's eyes these days!) We understand that Merle (Sinbad) Saylor has been discharged from service with the Airforce back in New York, and may be heading home thisaway sometime later this month. We also hear that Eddie Roland may be heading home soon--as well as Art Hutchinson. We hope these rumors are true. Glenn Stasor looking mighty like a civilian while he's home on leave--my cosh, how these guys do branch out in the colorful silk jackets here at home! I'd almost be tempted to join up in order to get one of the pretty things--if I weren't classified "NO DICE!" Well, cango--not a pretty important BUDDY POPPY item to write--so will cut short your space this time. Okay? (Don't forget--DAD'S day is coming up, in June!)---YE EDITOR.

MAKING MEMORIAL POPPIES AIDS DISABLED VETERANS: With Poppy Day rapidly approaching, disabled veterans of both world wars in vet's hospitals thruout the nation are working to complete the thirty million memorial poppies which Americans will wear on that day. Mrs. Hazel Hooper, Poppy Chairman of Brisbane Unit of the American Legion Auxiliary reported recently. Poppy Day will be generally observed here on May 23rd and 24th, the weekend before Memorial Day. Mrs. Hooper estimated that approximately ten thousand disabled veterans unable to perform other work have been given employment by the American Legion Auxiliary in its poppy program this year. The majority have worked in their beds, wheel chairs or hobby shops in hospitals of the Veterans Administration, although many have been employed at special poppy workrooms maintained by the Auxiliary in several states. With more than 1,500 Korean War veterans now in veterans hospitals, it is probable that some of the poppies this year have been made by men disabled in that conflict, as well as by World War veterans, Mrs. Hooper said. "To men who have been confined to the hospitals for months or even years, the work is a godsend," she explained. "It fills the long, monotonous hospital hours with an interesting activity, keepin' hands and minds busy and turning thoughts away from self. The poppies to be distributed here have been made at V.A. HOSPITALS where the California Dept. of American Legion Auxiliary directs the work. Materials are supplied by the Auxiliary. WEAR A POPPY--HELP A VETERAN."

FRIENDS OF MISS LOIS BARRY, PRINCIPAL OF BRISBANE ELEMENTARY SCHOOL, WILL BE SORRY TO HEAR THAT SHE IS NOW UNDERGOING TREATMENT AT ST. LUKE'S HOSPITAL IN SAN FRANCISCO.

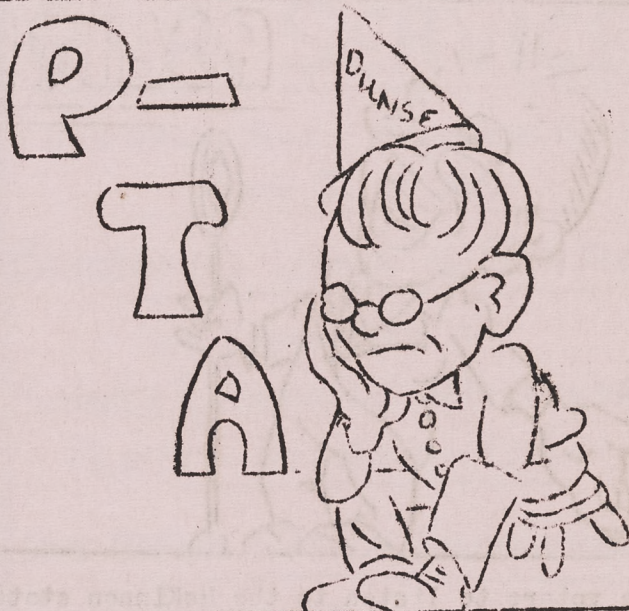

ROSICRUCIAN DIGEST PRESENTED TO BRISBANE PUBLIC LIBRARY: Readers in Brisbane will now have access to the monthly magazine known as the Rosicrucian Digest. Mrs. Earl J. Stevens, of Mozzetti's Trailer Court--a local member of the Rosicrucians Order, (A.O.R.C.), has recently received notification from the Grand Lodge in San Jose, that this magazine will be made available each month in the local library. The Rosicrucian Digest is the monthly periodical issued by the Rosicrucian Order, (A.M.O.R.C.), which is an educational, philosophical, non-religious fraternity. The magazine has international circulation, and deals with discussions of many philosophical and scientific subjects. It should prove of interest to many who visit the Brisbane Library. The following book has also been donated by the order: "Rosicrucian Questions and Answers, with Complete History of the Order", by H. Spencer Lewis. Mrs. Stevens states that the Grand Secretary of the Order informs her that these donations are the result of numerous requests from local readers. A yearly appropriation is made by the Order, according to Mrs. Stevens, to provide the educational, philosophical, nonsectarian works of the organization to such public institutions as libraries, and hospitals. It is said that the number of Rosicrucian books at the local library will be increased as the public interest creates a demand for them.

LOCAL YOUTH ON TOUR WITH CHOIR: Bill Denton, son of Mr. and Mrs. W.H. Denton of Brisbane, will be with the Hardin-Simmons University cappella choir when it makes a two-week tour to Miami, Florida, May 10th to 23rd, to sing for the Southern Baptist Convention. Denton, a junior music education student, is baritone soloist with the organization. He serves as vice president of the choir and is a member of the H-SU varsity male quartet.

LETTER TO THE EDITOR: This letter is to express the sincere thanks of our entire chapter for the outstanding coverage given Red Cross by the BYLINE throughout the past year. We have had excellent response to our fund appeal, and know that it is due, in a large measure, to the fact that the public has been kept informed of Red Cross Activities. We wish to give special mention to your coverage of Blood Service news. It has been an important factor in procuring blood for our Armed Forces. This is a matter which must be kept constantly before the public. For your generous donation of newsprint and especially front page stories, again, thanks. Cordially yours, MRS. CHARLES CRIGG, public information--SAN MATEO COUNTY CHAPTER, AMERICAN RED CROSS, 1449 Bellevue Avenue, Burlingame, California.

JEFF WINS AGAIN!— Jefferson High's varsity baseball team took over leadership in the Peninsula Athletic League race on May 6th, with an 8-4 win over Half Moon Bay. Jefferson's big bats boomed in a five-run fourth inning that was highlighted by Larry Blanchard's round-tripper. That homer counted, but the one hit by Jeff's Bryan McMahon didn't when it was discovered that he failed to touch third. Jeff's line-up for this game was as follows: Wilson, Rosa, Leveroni, McMahon, Blanchard, Carroll, Maynard, Crantham, and Galento. Jeff now stands at the top of the P.A.L. with six wins, and 2 losses.—(from the BURLINGAME ADVANCE of May 7th.)

DON'T FORGET THE "MEET THE CANDIDATES" MEETING, SPONSORED BY THE BRISBANE P.T.A. CITIZENSHIP COMMITTEE, THURS. NIGHT AT 8:00 P.M.—BRISBANE SCHOOL AUDITORIUM.

BRISBANE P.T.A.'S FINAL MEETING: The last meeting of the Brisbane Parent-Teacher's Association until Fall will be held at the Brisbane School Auditorium on Thursday afternoon, May 22nd, at 2 P.M. The speaker will be Miss Clara Dills, County Librarian. As this will be the final meeting until the school term next fall, all members are urged to attend if possible.

REDWOODS PROJECT: Giant redwoods, which have lived for thousands of years in San Mateo County, are doomed to death on July 1st unless \$1,200,000 can be raised. So stated Ralph Shaw, president of Butano Forest Association in a recent address to the Brisbane P.T.A. After the showing of an informative film, a collection was made for this worthy cause. The state will match this amount on a dollar for dollar basis. Mr. Shaw was introduced by Mrs. E. R. Whitson, conservation chairman, who distributed to all attending a park and recreation guidebook of the county.

In making a report of the recent C.C.B.T. convention, Mrs. Milton Jensen, president, quoted the words of Mrs. R.R. Smith, 5th vice-president of the National Congress: "It is our duty to maintain an inner sense of security and peace for youth and adult in this time of stress." Mrs. Jensen declared the unit would base its year's program upon this statement.

A "Magic Carpet", guaranteed to "bring good luck to all who stand upon it," was donated to the unit by Mrs. Ann Eason, Jefferson Union High School Trustee. Henceforth, all chairmen and officers will stand upon it when giving reports. First to do so was Mrs. Frank King, citizenship chairman. She was presented with a corsage by Mrs. Jensen and praised for her (Continued on back of AD PAGE)

SENATE: Final plans for setting out the San Mateo County vote for Congressman CLINTON D. McKINNON, Democratic candidate for U.S. Senator from California, will be completed at a meeting of the McKinnon committee to be held Friday evening, May 16th, at 7 p.m., at the home of Edward J. Reilly, county chairman, at 2815 Hacienda Street, San Mateo. 24 area chairmen will submit their reports. Campaign literature will be allotted to each for door-to-door distributions. A co-ordinated telephone drive will be started to

urge voters to listen to the McKinnon state-wide radio broadcasts every Sunday at 1 p.m. over Station KCBS, 740 on your dial. Chairman Reilly will announce a series of appearances he will make on behalf of McKinnon before various county organizations starting with a talk Thursday evening before a voters' forum at the American Legion Hall in San Carlos.

CONGRESS: (TAG-ART)--Harold F. Taggart, candidate for Congress from San Mateo County, while addressing a large gathering of more than 500 at the Forester's Hall in Redwood City last May 8th, pointed out that we must close our borders to trade with nations which are unwilling to establish effective policies of all exports of narcotics, and said, "We must effectively assist in and implement the work which has already been commenced in the United Nations and its subordinate agencies, leading to an early and efficient control of drugs by all of the free nations of the world which place morality above the dollar value of international trade." He stated that if he is elected to Congress, one of his first official acts will be a thorough study of this problem and the introduction of positive legislation to cope with this insidious narcotics traffic.-----**(YOUNGER):** "San Mateo County's progress would be materially aided by the development of a modern highway system connecting all principal peninsula cities directly with the vital coastside communities and industries," Arthur Younger, San Mateo County's Republican candidate for Congress, stated recently in an address before the Manor Village Improvement Club. Mrs. John W. Daley, secretary of the group, presided at the meeting which was held at the HH Ranch, Manor Village. "San Mateo County's population in the foreseeable future will be almost double that of today," Younger declared. "The natural growth of an area is accompanied by the need for better transportation facilities to aid the flow of business. With the decentralization of shopping centers, the expansion of residential developments, and the establishment of new industrial areas, it is vitally important that ways be provided for vehicles to move freely without traffic congestion," Younger said. "The coastside, as an area of commercial, residential and industrial expansion should be readily accessible to all parts of the county by means of direct highways from other points of the Peninsula," Younger asserted. He stated that implementation of such a highway program would be one of his first concerns in the event of his election to the Congressional seat.

JUDICIAL: (BECKER)---Seven out of the eleven attorneys named by Richard Lyons, erstwhile "acting city attorney" for South San Francisco, as having attended a recent meeting to pass on the merits of the opponents' use of the campaign terms "re-elect" and "retain" in his fight to beat Judge Charles Becker for the new municipal court, told the Becker Campaign that they never attended any such meeting. Harry L. Davis, South San Francisco attorney, said he not only did not attend the meeting ascribed to him by Lyons, but that Becker's opponent was using his name in his campaign without his permission. Davis said he was definitely "not backing the opponent", and told this committee that he would probably support Judge Becker's candidacy. He said the terms "re-elect" and "Retain" were, in his opinion, highly improper. Thomas Markley, another South San Francisco Lawyer, said he also considered the terms "improper". The other five, contacted by telephone, expressed similar views, all saying there had never been the meeting Lyons took pains to tell certain newspapers had taken place. And all but one of the seven branded the opponent's term usage "improper". The exception was Paul De Marco, close colleague of Becker's opponent.-----

QUESTS FROM NEBRASKA: Al and Evelyn Fahlow, and daughter Nancy, of 105 Visitacion, Brisbane, hosted a houseful of guests recently when Evelyn's parents, Mr. and Mrs. M.G. Lee, of Alliance, Nebraska, came out to Brisbane in order to be here when Evelyn's "kid" brother, Marine Sgt. Donald E. Lee arrived aboard the ship General Weiclo, after serving 14 months in Korea with the Marine Corps. Sgt. Lee will spend the remainder of his 30 days leave with his parents in Nebraska, visiting friends and other relatives, after which he will be stationed at Camp LeJuno, in North Carolina. Incidentally, while waiting for their "ship to come in"--our Evelyn and her daughter Nancy, along with Mr. and Mrs. Lee and the family dog--all got their pictures in the San Francisco Call-Bulletin. OH, NO! NOT FIRE SEASON AGAIN??? Yop--that's what the man said! Firechief Lou Terry, we mean. He says that the FIRE SEASON is approaching rapidly; therefore, no open fires, and all burning cans must be completely out by 1:00 each afternoon. AND--you must have a fire permit if you wish to use your burning can. For that, you should contact Firechief Terry or Fire Marshall Seiss, at the firehouse. And, if anyone wishes grass and weeds burned or cut away from fences, vacant lots, etc.--please contact either of the above officials. They ask that you PLEASE keep your hoses hooked up at all times for the rest of the summer season. Incidentally, you can call Firemarshall Seiss at JU 4-6736 for any information about the permits you must have. The fire department is pleased with the way you people cooperated last year, and they're hoping for the same this year. Remember--it's YOUR house they're concerned about!!

HOSPITALS---IN & OUT!!---We heard that they have brought Mrs. Bernice Carrian home from the hospital, after an operation performed more than a week ago---and we also hear that Dean Hansen is still hospitalized for the broken leg he suffered when his motorcycle ran into the rear bumper of a parked automobile. Little Ronnie King is home, after a spell of hospitalization for a broken arm.

DID YOU KNOW: that Bill Perklo, of 256 San Benito Road, left on May 9th, to attend his son's graduation in Oklahoma?-----that Mrs. Boss Zlatich, of 238 Glen Park Way, had a very sad Mother's Day this year, because her mother, Mrs. Edith Hassett, of San Francisco, passed away in her sleep on Friday night, May 9th, 1952?----that Fred Schmidt, Jr., otherwise known as "bring-em-back Alive" Schmidt, went fishing for fish, but brought home a live baby rattlesnake?----that little Earl Cook, seven year old boy of 640 Humboldt, has been hospitalized because of a bad fall last week?--that the Yarboroughs, at 465 Visitacion, got a bad scare when a car knocked over the hedge

ship Court, increased his offer of reward from \$250 to \$1000 for the apprehension and conviction of those responsible for tearing down his billboards and posters. In making this offer, Judge Bocci stated, "The past several weeks has seen an increased effort by those unfriendly to Judge Bocci's campaign to destroy and mutilate my posters and billboards. Apparently there is a concerted effort by those responsible to see to it that my name does not appear before the public. To those so responsible I can only state that in campaigning for an office, all candidates should be entitled to fairness and equal opportunity of presenting their candidacy to the public through whatever means the law allows."

STATE ASSEMBLY: (CREEDON)---Judge Daniel J. Creedon recently congratulated James Mitchell, chairman of the Burlingame Planning Commission, on his election recently as chairman of the newly formed Bay Area Planning Commissioners Committee. "With representatives from 58 planning commissions in the nine Bay area counties working together under Mitchell's capable leadership," Judge Creedon said, "It will be possible to evolve a streamlined long-range program of benefit to all communities. I have long been an advocate of this type of integrated organization and cooperation. When I am elected on June 3rd to represent the 25th district in Sacramento and take my seat in the Assembly, this is the type of planning I shall endeavor to carry out--planning which will best serve the interests of all the communities in my district."

JEFFERSON-JACKSON DINNER: (KEFAUVER)---

That the city of San Mateo may become a major national political debating scene between Democratic presidential candidates on Friday, May 23rd, was foreseen recently by Marion E. Kent, chairman of the Jefferson-Jackson dinner planned to be held on that date in the San Mateo County Fiesta Building, East 25th Avenue, San Mateo.

With Senator Estes Kefauver, presidential candidate, and Edmund G. "Pat" Brown, head of an uninstructed California presidential delegation, already scheduled as main speakers along with Congressman Clinton D. McKinnon, Democratic candidate for U.S. Senator from California, the invitations extended by Brown this week to all other presidential hopefuls to come to California may bring them here in time to appear at the dinner. Chairman Kent stated that any decision as to speaking time allowed candidates other than those already invited will be made by the executive board of the dinner committee, which he heads. Brown's invitations went

out to W. Averell Harriman, Senators Robert S. Kerr, Richard B. Russell, Hubert Humphrey and Brian McMahon; Vice-President Alben Barkley, Federal Security Administrator Oscar Ewing; James A. Farley, and Governor W. Mennen Williams of Michigan.

As a result of these activities, Chairman Kent said, "I have noticed a great pick-up in interest in our dinner and expect it to be the biggest ever held in the Bay Area." Complimentary dinner invitations are being issued on the following basis; one dinner ticket for a \$15 campaign contribution; two tickets for a \$25 campaign contribution. The dinner committee headquarters are at 1481 Burlingame Avenue, Burlingame.
